DISTRICT OF MASS.

Complaint Overview:

- I've made several attempts while incarcerated to contact an attorney on this matter, but due to prison phone systems and lack of resources, obtaining an attorney has been a daunting task. I've included some rough notes that shows I made multiple attempts to contact an attorney (exhibit 1)
- On March 7, 2018 I was arrested by Lowell Police S.I.S and New Hampshire State Trooper in Lowell, MA.
- October 9, 2018 A Federal Judge ruled my arrest ~~to be~~ unlawful as well as the search warrants to follow. Also due to the concerns raised by the inconsistencies of the arrest, the Middlesex District Attorney office filed a nolle prosequi on October 12, 2018 for all charges stemming from arrest. And on
- October 26, 2018 ~~the~~ members from the City of Lowell formed a Board of Inquiry (exhibit 2) to investigate policy violations committed by Lowell Police Department during my arrest which found several officers guilty of violating ~~police~~ policies.
- As a result from that excessive unlawful arrest and search warrants to follow, I've accumulated several damages to my health and other valued aspects of my life. I would like a ruling on those damages and I'm asking this honorable court to appoint an attorney that would succeed in that notion.

- Not only AM I INCARCERATED, I'm housed in FCI DANBURY, A facility shaken by the Covid-19 VIRUS AND is currently in lockdown status and inadequate staffing.
 - At this time I'm not able to provide a complete copy of the discovery which includes footage of the ARREST and medical notes. I've provided the documents I currently have which should be sufficient to prove my case of UNLAWFUL ARREST AND SEARCH WARRANTS that follow. I have labeled those documents exhibit 2.
- Also in exhibit 2 includes A medical note dated 7/30/19. One OF several medical notes made, this one AND the rest discuss Mental health and current symptoms resulting from 3/7/18 ARREST.

Relief will be monetary; ~~and~~ T.B.A
